

Hello, Valued OneShare Health Producers!

For we all stumble in many ways. And if anyone does not stumble in what he says, he is a perfect man, able also to bridle his whole body. - James 3:2

To err is human. And, at OneShare, we take great pride in our humanity. At our core, we are a community of humble, human servants.

We have hit an unfortunate roadblock in our launch of the new OneSource Producer Portal. We want this new system to be the best version it can be, and, due to unforeseen circumstances, we just aren't quite there yet.

With that being said, we have decided to delay our launch until this issues can be resolved.

On the bright side, this gives you more time to review our training and FAQs.

You can enroll in our upcoming OneSource Producer Training Webinars by clicking the link below.
