### What is Healthcare Bluebook?

Healthcare Bluebook is a price transparency solution, aiding you in finding high-quality, low-cost In Network Providers for medical tests and procedures. With Healthcare Bluebook, Members will be able to negotiate Fair Prices for the most affordable, quality care. So, the next time you're at the doctor's office and need to schedule an Outpatient Procedure, refer to Healthcare Bluebook and shop smart!

OneShare Health and [Healthcare Bluebook](#) have partnered together to help our Members take charge of their health care costs. Please note, however, Healthcare Bluebook is not an affiliate of OneShare Health.

## Why use Healthcare Bluebook?

Prices for the same health care services can vary up to 500% or more. Healthcare Bluebook is a resource for cash-pay patients to use when negotiating a Fair Price. Healthcare Bluebook provides cost and quality information on health care services in your area, so you can make the best choice for you and your family, clinically as well as financially.

## How do I access Healthcare Bluebook?

We provide our Members with access to Healthcare Bluebook through our [OneShareBox](#). Simply log in and click on one of the menu items provided, OR, like a Google search, type in the name of your procedure, and we'll present you with some options.

Once you've made your selection, we'll show you how dramatically prices can vary for the same procedure, from one facility to another, using simple color indicators along with a Fair Price as designated by Healthcare Bluebook. Facilities are listed below from lowest to highest cost, using green, yellow, and red color signs to easily direct you to facilities at or below the Fair Price.

You can also sort by distance to find a green facility closest to you. Click on the facility name to see contact information, set up an appointment, and access convenient directions to the location!

That's all there is to it! It's never been easier for our Members to [locate OneShare Health Providers](#) in their area, compare pricing, or make cost-effective choices that will lead to a happy, healthy, and accountable lifestyle.
