# Who is OneShare Health?

OneShare Health is a medical cost-sharing ministry providing a unique, affordable, ACA-exempt path to health care. OneShare Health is not insurance. With origins in the Anabaptist faith and a chaplain on staff, we are a Health Care Sharing Ministry that welcomes and unites those who agree with our core biblical principles and Statement of Beliefs relating to life, health, and caring for others.

With industry-leading Membership Programs and an unparalleled Member experience, OneShare Health continues to grow our nationwide family. Daily, our Members, Clients, and Partners are introduced to simple, more rewarding answers to health care. Our core values can be summed up in related biblical commands. The first is to thoroughly love both God and neighbor (e.g., Matt. 22:36-40; Mark 12:28-34; Luke 10:25-28), the “greatest commandments” in all of Scripture. The second is to carry the burdens of others (e.g., Galatians 6:2) and care for them as one would oneself, often called the Golden Rule and epitomized in the Parable of the Good Samaritan (Luke 10:25-37). This was the ministry of Jesus, and OneShare Health is passionate about finding creative and inspiring ways to facilitate such ministry to and among Members, staff, and other charitable organizations.

By contributing their monthly Membership amounts, Members are sharing one another’s Medical Expenses and demonstrating the love of God to the entire community. This sharing also demonstrates that the community can come together in mutual love and respect, no matter the background of the individual or family.

The staff of OneShare Health is committed to putting Members first with the mission to inspire healthier, joyful communities on the path of life, using Scriptural principles to connect people of similar faiths in a quality Health Care Sharing Ministry.

OneShare Health provides Members with national network access for medical needs, including hospital, surgical, emergency room, urgent care clinics, primary care physicians, and specialists.

OneShare Health seeks to help support ministries within the United States and around the world. OneShare Health feels a great sense of purpose in helping Members share their medical needs and showing the love of God to the entire community.

# Statement of Beliefs

## With our origins in the Anabaptist faith:

**We Believe** in the authority of Scripture and the sanctity and dignity of every human life created by God with special meaning and purpose.  
II Timothy 3:16; Psalm 139:13-14

**We Believe** that every individual has the constitutional and religious right and duty to worship God in freedom.  
II Corinthians 3:17; U.S. Const. amend. I

**We Believe** and agree in the biblical and ethical principle of sharing with those who are less fortunate and who experience medical needs.  
Galatians 6:2

**We Believe** and agree that it is our responsibility to God and our fellow Members to engage in accountable, healthy living, and to avoid habits and behaviors which are harmful to the body.  
I Corinthians 6:19-20

**We Believe** in the power of prayer to save lives, to heal lives, and to unite our Members in common purpose and community, and we believe that prayer should be a fundamental practice of daily life.  
I John 5:14; Philippians 4:6-7

Neither the Guidelines, nor anything else presented by OneShare, constitutes a contract for insurance. The Guidelines do not constitute a legally binding agreement, a promise to pay, or an obligation to share. The Guidelines specify what types of expenses are Eligible for Sharing requests. OneShare Health reserves the right to exclude sharing eligibility for any Pre-Existing Conditions, whether disclosed at the time of your enrollment or discovered after the Effective Date of the Membership. OneShare Health reserves the right to update and change its Guidelines at any time, and will provide notice of any material updates/changes. It is the Member's responsibility to review the current guidelines in their Member portal .

**Health Care Sharing Disclosures:** You are enrolling in a Health Care Sharing Ministry administered by OneShare Health, LLC (OneShare). A Health Care Sharing Ministry is not health insurance, and it does not guarantee or promise that your medical bills will be paid. A Health Care Sharing Ministry is a group of individuals who share a common set of ethical or religious beliefs and share Medical Expenses in accordance with those beliefs.

The Members of this Health Care Sharing Ministry voluntarily share Medical Expenses with one another, and OneShare coordinates this Medical Expense sharing. OneShare programs should not be considered as a substitute for an insurance policy. You are always liable for your own unpaid medical bills.

If your Provider does not accept your OneShare Health Member ID card, requiring payment at point of service, you can submit a CMS HFCA 1500 and/or a UB-04 form. These forms can be obtained from your Provider.

All OneShare Health Members are required to attest to our Statement of Beliefs.

**Authorizations:** As a Member of OneShare Health, you authorized the following upon enrollment:

- Your first voluntary Monthly Contribution Amount to be processed immediately upon completion of your enrollment or on a specified date prior to your Effective Date.
- OneShare Health or its designee to collect a voluntary Monthly Contribution Amount as a recurring monthly transaction until you request otherwise, or your Membership is cancelled.
- OneShare Health to contact Providers to obtain your medical records, and the medical records of all participants on the application with appropriate HIPAA authorizations.

**Administration:** Upon receiving an eligible medical need from a Member or Provider, OneShare Health will assign the medical need for sharing in accordance with the Guidelines, less the amount required to be pre-shared (Individual Sharing Amount). Voluntary Membership contributions are received monthly from each Member. Up to 40% of Membership contributions may be applied towards administration of the Health Care Sharing Ministry, charitable causes, and general overhead costs. This does not include third-party contracts and distribution compensation.

In any given month, the available sharing funds may or may not equal the amount of eligible expenses submitted for sharing. If eligible expenses exceed the available sharing funds to meet those needs, any of the following actions may be taken:

1. A pro-rata sharing of eligible expenses may be initiated, whereby the Members share a percentage of eligible Medical Expenses within that month and hold back the balance of those expenses to be shared the following month, or
2. The monthly Member contribution may be increased in sufficient proportion to satisfy the eligible expenses. This action may be undertaken temporarily or on an ongoing basis. Administrative costs are subject to change by OneShare Health.

An annual administration fee of \$45 is due from each Primary Member upon their Program Year anniversary.

# OneShare Health Guidelines and Disclosures

**Canceling Membership:** If you wish to cancel your Membership in the OneShare Health programs, you are required to submit notice to OneShare Health in writing fifteen (15) days prior to the end of your current month. Your sharing opportunity will end the last day of your current month. Canceling your OneShare Health Membership does not meet the requirements for a Qualifying Life Event (QLE) under the Special Enrollment eligibility for the Affordable Care Act.

**Cancellation Due to Non-Payment:** If your monthly recurring contribution attempt is declined and has been attempted three (3) times with no approved transaction, and the amount attempted remains unpaid on the next occurrence of your billing day, your Membership will be reviewed for non-payment and pending cancellation status. If you are placed in non-payment, a non-payment notice will be issued, communicating a date that your Membership will be canceled if the minimum contribution is not paid. If this date passes and the minimum contribution is not paid, your Membership will be canceled as of the date communicated in the non-payment notice. Cancellation due to non-payment of your monthly contribution does not meet the requirements for a Qualifying Life Event (QLE) under the Special Enrollment eligibility for the Affordable Care Act.

**Coordination of Payments:** The following will apply:

- If a Member has an insurance policy in addition to participating in the OneShare Health program, all Medical Expenses must be first submitted to the other payers. Once a decision has been made by the other party, the Member may then submit the expenses for an eligibility determination under their sharing Membership. Proof of decision from the other payer will be required when submitting the expense. If proof is not submitted, the sharing request will not be considered. The Member expense sharing request will be reduced by the amount that was received from the other party. If there is a delayed reimbursement from another responsible party, the amount received must be forwarded to OneShare Health to help with other Members' needs, and this amount must be up to, or equal to, the amount that was shared by OneShare Health.
- If a Member participates in more than one Health Care Sharing Ministry, expense sharing may only be requested from one of the ministries at a time. The program where the Member has participated the longest will have first responsibility to review the Medical Expense for eligibility and make their determination. Should there be any unpaid amounts, those can then be submitted to the second ministry for sharing. Proof will be required of the amount shared by the first ministry for consideration under the OneShare Health program.
- OneShare Health facilitates the sharing of eligible medical bills only after any other responsible parties have paid. If another party is allegedly responsible or liable for a medical bill, OneShare Health may wait to share any bills until that party has paid in full. If OneShare Health shares a bill for which another party is fully or partially responsible, the Member agrees to reimburse OneShare Health for all such bills shared when the responsible party pays the Member for any part of the bill.

# OneShare Health Guidelines and Disclosures

**Other Available Assistance:** If any other organization is willing to pay any portion of a qualifying medical bill and the Member refuses to accept this payment, the Member has then chosen not to have that portion of the bill shared. Funds raised by crowdfunding for shareable Medical Expenses must be reported to OneShare Health and will be applied to reduce the shareable amount. If government assistance is available, the Member must (a) accept it, or (b) forfeit sharing eligibility for the portion that the government program would have covered. If Medicaid is available, it must be used prior to OneShare Health's sharing the expenses.

**Modifying Membership Size:** To modify your Membership with OneShare Health, whether increasing or decreasing your Membership level, a written request must be made. If the request results in an increase or decrease of Membership Contribution Amount, you will be notified in writing. Acceptance of these new terms must be made prior to your next monthly contribution. If a refund is due, it will be processed according to the refund policy. Your submitted sharing request will be considered based upon the Date of Service and program Membership in effect on that date.

After the first 10 Business Days after the Effective Date, an increase in Program or Tier, a decrease in ISA, resulting in a higher monthly contribution, will be subject to OneShare Health's medical question review and approval. A Member may elect to reduce their Program or Tier, or increase their ISA, resulting in a lower monthly contribution and the change will not require OneShare Health's medical question review and approval. The program change will become effective at the next billing cycle following OneShare Health's approval and the application fee will apply. A program change request form must be signed and submitted by the Member for any program change Request. Adding or deleting dependents to or from the Membership is not considered a program change.

**Program Termination:** OneShare Memberships terminate at the end of the month in which a Member attains age 65.

If a sharing need has occurred, it will be treated as a new Membership, and all existing health conditions will be subject to the Pre-Existing limitations defined within the respective program. You may be required to pay a new application fee, which is non-refundable.

If the termination of your Membership has lapsed for more than 30 days, your request for reinstatement will be handled as a new Membership and will be subject to all Membership provisions within your respective program, including Pre-Existing Condition limitations. You will be notified in writing on the decision of your request to reinstate Membership. You may be required to pay a new application fee, which is non-refundable.

All listed or quoted prices are current prices by participating providers and subject to change without notice. Any procedures performed by a non-participating provider are not discounted. # Dispute Resolution and Appeal

OneShare Health, LLC is a health care sharing ministry which brings together people of faith to assist each other by voluntarily sharing medical expenses. As a health care sharing ministry, OneShare Health does not contract with Members to provide or pay for medical care, does not offer insurance, makes no assumptions of risk, and does not promise or guarantee that medical expenses will be paid or shared by the Membership. Unpaid medical bills are always your responsibility.

OneShare strives to create a positive Member experience. However, for those unique situations where Members are concerned or dissatisfied, OneShare Health has created a dispute resolution process that is consistent with our shared biblical beliefs about resolution within our community rather than by civil courts (I Cor. 6:1-8).

By becoming a Member of OneShare Health, each Member agrees to use the following Dispute Resolution and Appeal process as the exclusive means for resolving all disputes, including legal disputes, and to not file a lawsuit. The Member agrees not to engage in litigation against OneShare Health, its affiliates, nor its employees or directors for any reason related to health care or Membership.

The OneShare Dispute Resolution and Appeal process is as follows:

**1. Call OneShare:** Many concerns or questions may be resolved by calling us directly. OneShare strives to provide first class Member service, and we want to know immediately if you are not completely satisfied. Before submitting a written dispute, a Member must first attempt to resolve the issue with the applicable Department within OneShare.

**2. Written Dispute:** If you are unable to resolve an issue to your satisfaction by calling OneShare, you may file a written dispute within 60 days after the act or decision giving rise to your dispute. Disputes may be submitted in three ways: (1) by completing OneShare's Member Dispute Form and submitting it to [Dispute@onesharehealth.com](mailto:Dispute@onesharehealth.com), (2) by completing the Dispute Form and mailing it to OneShare Health, Attn: Disputes, 3701 Regent Blvd., Suite 150, Irving, TX 75063, or (3) by going online to [www.onesharehealth.com/memberdisputes](http://www.onesharehealth.com/memberdisputes) and submitting the fillable form. Any other method of communication will not be considered a dispute for purposes of this Dispute Resolution and Appeal process. The Dispute Form must be completed in full and incomplete disputes will not be considered. OneShare will confirm receipt of your dispute within 3 business days after submission. If the form is incomplete or more information is needed, OneShare will notify you. If your dispute is related to a service you have not yet received, you will receive a response within 30 days after your dispute is accepted. If your dispute is related to a service you have already received, you will receive a response within 60 days after your dispute is accepted.

# Dispute Resolution and Appeal

**3. Appeal:** You may appeal an adverse determination of your written dispute by submitting OneShare's Member Appeal Form to [Appeals@onesharehealth.com](mailto:Appeals@onesharehealth.com), or by mailing the completed Appeal Form to the same address listed above, within 30 days after the determination of your dispute. You must include a written summary of your appeal, state why you disagree with the previous determination, and include any portions of your Member Guideline which may be applicable. You will be able to attach any documents you feel are necessary to provide complete information to the OneShare Appeals Committee. The Appeals Committee will consider your appeal within 45 days after submission.

**4. Arbitration:** If you are unsatisfied with the decision of the OneShare Health Appeals Committee, the final option is to submit the dispute to Arbitration in accordance with the Arbitration Agreement which each Member signs upon enrollment. You may submit the dispute for arbitration with the Institute for Christian Conciliation (ICC) or the American Arbitration Association (AAA). You will be responsible to bear one-half of the fees of your selected arbitration program (ICC or AAA), and all of your own incidental or legal costs. The arbitration shall be held in Dallas, Texas unless you and OneShare agree to a different location. One arbitrator shall preside over the dispute and shall be selected by mutual agreement between you and OneShare. If the parties cannot agree on an arbitrator, the selected arbitration program (ICC or AAA) will appoint the arbitrator. If you wish to invoke this provision, you must send a written notification to OneShare's Legal Department and submit your arbitration request to:
