STEERAGE

Navigating to Cost-Effective Care

What is Steerage? Steerage involves guiding Members toward in-network Providers or facilities that offer the most affordable rates for an upcoming procedure. Utilizing an in-network Provider can reduce Member out-of-pocket costs by eliminating the possibility of receiving a balance bill. Members are not required to use a network Provider but could end up with additional sharing responsibility if they choose an out-of-network Provider.

How to Access Steerage Opportunities:

Contact our Pre-Notification team to connect with a representative at (855) 699-0419.

Eligible Facilities for Steerage:

- Lab Facilities
- Surgery Centers
- Imaging Centers
- 501r Facilities (Hospital organizations)

Services Not Eligible for Steerage:

- Ophthalmology
- Dermatology
- Immunology
- Cataract Surgery
- Office Visits (including Specialist Office Visits)

Information to Provide (if available):

- CPT Code
- Name of Requesting Physician

Oneshare Health is committed to providing you the most comprehensive, affordable, and flexible Membership to best fit your needs.

ASSISTING WITH PROVIDERS WHO WILL NOT SEND BILLS TO ONESHARE HEALTH

If your Provider is not familiar with Health Care Sharing Ministries, our Pre-Notification team can reach out to discuss billing arrangements. If the Provider is unwilling to submit bills directly to OneShare Health, we can explore additional options:

- **Self-Pay Discount:** Members can inquire about self-pay discounts from the Provider and share this information with their Pre-Notification Specialist.
- **Single-Case Agreement:** We can negotiate a one-time agreement with the Provider to facilitate sharing.

**Please do not pay bills without talking to OneShare Health first.*

POST-SERVICE SUPPORT

For services **already received** from out-of-network Providers, we offer the following assistance:

Financial Assistance Review and Negotiations

Hospitalization and ER Visits are reviewed by our internal Sharing Team. For out-of-network bills, we:

- Review for potential financial assistance offered through your facility.
- If ineligible for financial assistance, we will proceed with negotiations between OneShare Health and the Provider.

Member Advocacy

For other out-of-network bills not related to hospitalizations or ER visits:

- Bills are shared according to the out-of-network rate.
- If the Provider doesn't accept this rate and bills you for the difference, you can:
 - Negotiate directly with the Provider for a discount.
 - Contact our Member Support Department to connect with our Sharing Team for potential member advocacy. We will attempt to work with the Provider on your behalf to explore financial assistance, self-pay discounts, negotiations, and/or payment arrangements to lower your out-of-pocket costs. (Please note: Sharing requests for member advocacy must be over \$250.)

Your health is our mission!

Oneshare Health is committed to providing you the most comprehensive, affordable, and flexible Membership to best fit your needs.
